The ICAR-Krishi Vigyan Kendra (KVK), South Andaman, in collaboration with the National Fisheries Development Board (NFDB), Hyderabad, will be organizing a three-day training programme on "*Post-Harvest Management and Value Addition in Fishes*" from November 25 to 27 at ICAR-KVK, South Andaman.

The initiative aims to enhance skills and promote best practices among stakeholders in the fisheries sector, focusing on improved handling, processing, and value addition techniques that can boost income and reduce post-harvest losses.

Interested participants can register by submitting their details including name, age, education, profession, and contact number to the training coordinators – Dr. Pooja Kapoor (Ph: 9933235048) and Dr. Y. Ramakrishna (Ph: 9436158901) – on or before November 21, 2025.
